### **A Military History Of India**

Military history of India. The predecessors to the contemporary Army of India were many: the sepoy regiments, native cavalry, irregular horse and Indian sapper and miner companies raised by the three British presidencies. The Army of India was raised under the British Raj in the 19th century by taking the erstwhile presidency armies, merging them,...

India's military history goes back to the Indus or Harappan people who flourished 5,000 years ago; the history of military fortifications in the country goes back even further. It remains, however, a subject largely neglected by the country's historians. This book traces the evolution of India's military tactics and strategy during the ancient period and till the eleventh century ad by ...
