Core skills and process of Stop Think Do. Critical elements in social skills training; This multi-factor, broad-based approach is reflected in my definition of social skills

Core skills and process of Stop Think Do

Life Skills teaches the skills that a person would have learned had they grown up in a balanced, healthy home with two perfect parents. Of course, no one is perfect, so some things get missed. It's like a self-parenting class which develops skills that will enable each individual to rebuild their life, improve their self-image, improve relationships and where applicable, to even offer hope of ...
