To celebrate Black History Month, ComicsAlliance is running down our list of 20 Great Black Comic Book Characters. Our list considers old staples as well as some new favorites, including a certain katana-wielding badass, space explorers and of course, plenty of superheroes.

### **20 Great Black Comic Book Characters - comicsalliance.com**

Even despite these triumphs, black characters still haven't gotten the time of day they deserve. Ask most people to name a few black super heroes and you probably will get a list with maybe three names. The good news is recent films, comics, and TV shows are really pushing their black characters the way they always deserved.
