History. Fauré's 1887 setting of the poem was for voice and piano; but in 1888, at the instigation of the Princesse de Polignac, he made a version for voice and orchestra, first performed at the Société Nationale de Musique in April of that year, with the tenor Maurice Bâges as soloist. In its orchestral form the song was included in Fauré's incidental music *Masques et bergamasques* in 1919.
