Fatigue is another common symptom of a whole body detox. This includes having a lack or even loss of energy. The severity of this symptom depends on what your lifestyle is like before the detox and how quickly you make the change into the detox, as stated by [Naturaltechniques.com](http://Naturaltechniques.com).

The Sugar Cleanse Diet is quite simple in theory. You remove all forms of sugar and sugar products from your diet for 21 days or longer. Unfortunately, sugar, in its various forms, hides in many of the foods that we eat every day, so getting rid of it is not always easy or painless, but many doctors and homeopaths agree that the health benefits are well worth it.
