Don Omar Hip Hop Mason

Hip hop music, also called hip-hop or rap music, is a music genre developed in the United States by inner-city African Americans in the late 1970s which consists of a stylized rhythmic music that commonly accompanies rapping, a rhythmic and rhyming speech that is chanted. It developed as part of hip hop culture, a subculture defined by four key stylistic elements: MCing/rapping, DJing ...

A new collection - #31 - will be available in early April. I'm drowning in new music - drowning - I've reviewed several thousand pieces of music and have close to 200 I want to present, but it is just too many pieces - so many styles - so many new composers to check out. I work with over 60 record companies - 60! They each release music year round and I start in January ...
