The term possibly originated in slang, but there is no direct evidence of that. The slang term "flapper" may derive from an earlier use in northern England to mean "teenage girl", referring to one whose hair is not yet put up and whose plaited pigtail "flapped" on her back; or from an older word meaning "prostitute". The slang word "flap" was used for a young prostitute as early as 1631.

The suction bowls are awesome and will help keep them from tossing the whole bowl on to the floor. The trick is to only give them a little food in the bowl at a time. At this point you are still feeding them most of the meal. If they are doing well scooping up food and at least getting some of it into their mouth, put more and more food into the bowl for them to feed themselves.
