Human Traces Vintage International

Rockwell International was a major American manufacturing conglomerate in the latter half of the 20th century, involved in aircraft, the space industry, both defense-oriented and commercial electronics, automotive and truck components, printing presses, power tools, valves and meters, and industrial automation. Rockwell ultimately became a group of companies founded by Colonel Willard Rockwell.

Environmental sociology is the study of interactions between societies and their natural environments. The field emphasizes the social factors that influence environmental resource management and cause environmental issues, the processes by which these environmental problems are socially constructed and defined as social issues, and societal responses to these problems.

There is something disconcerting about looking at the face of someone who has long departed from this world and realizing that they look just like you. That connection to the past has long intrigued archaeologists, for whom mummies represent an opportunity to gain firsthand information about ancient ...

Adolf Hitler Street Sign (Item AH 29-4). DESCRIPTION: During the Third Reich period every big city and even the smallest hamlet and village (Dorf) had an "Adolf Hitler Strasse" (street). The larger-populated cities like Berlin, Hamburg, and Munich had beautiful enameled "Hitler" signs, while the little villages and townships usually had tin signs like the one we offer here.
