Life on Mars is a British television series broadcast on BBC One between 9 January 2006 and 10 April 2007. The series combines elements of speculative fiction and police procedural, featuring a present-day police officer from the Greater Manchester Police (played by John Simm) who wakes up in 1973 after being involved in a road accident. The title is a reference to David Bowie's 1973 single ...

Life is a British nature documentary series created and produced by the BBC in association with The Open University. It was first broadcast as part of the BBC's Darwin Season on BBC One and BBC HD from October to December 2009. The series takes a global view of the specialised strategies and extreme behaviour that living things have developed in order to survive; what Charles Darwin termed "the ...
