Shannon Des Roches Rosa [www.squidalicious.com](http://www.squidalicious.com) Loving your autistic child with all your heart is a wonderful, precious experience. If you're not autistic yourself, though, even the purest love can't always help you intuit how being autistic affects your child's body, their senses, and how they interact with the world.

### **Eleven Ways You Can Make Your Autistic Child's Life Easier**

During a Presidential candidates debate, Trump expressed his belief that vaccines are the cause of autism in children. Acknowledging that his son's autism is related to his sixty year old sperm and the 24 year age gap with his wife is not a consideration.

Our Katie does this, but we are lucky in that she sticks to fingers and lips. We've found that using Neosporin lip balm keeps the lips from getting chapped in the first place and a weekly nail trimming along with making sure we clip any hangnails as close to the skin as possible help.

### **Help! (From a Mom on Behalf of Her Autistic Son) - Jo Ashline**

The transition to your class was hard, at times painfully so, as my son's autistic needs proved overwhelming to you at the beginning. Your firmly entrenched ideas and labels were a bright target I aimed for, and I was not patient through our struggles to listen to each other.

Autistic Burnout is exactly that; The shutting down of mind and body. If you've ever had a problem with a computer and it's had to go into safe mode - that would describe what happens to the brain - it runs on limited function, not all services are available - it's access to the Internet (my Rolodex, as I described in The inside of Autism: The world inside my head) denied and unable to connect.

### **An Autistic Burnout - The Autistic Advocate**

A Story of Sidekicks, Heroes, and Autism. Our son Owen, like so many with autism, has an 'affinity' — in his case, a deep connection to the Disney movies he's watched countless times to make sense of an often-bewildering world.
