Reading Like A Historian Cold

Cold reading is a set of techniques used by mentalists, psychics, fortune-tellers, mediums, illusionists (readers), and scam artists to imply that the reader knows much more about the person than the reader actually does. Without prior knowledge, a practiced cold-reader can quickly obtain a great deal of information by analyzing the person's body language, age, clothing or fashion, hairstyle ...

In literary criticism, close reading is the careful, sustained interpretation of a brief passage of a text. A close reading emphasizes the single and the particular over the general, effected by close attention to individual words, the syntax, the order in which the sentences unfold ideas, as well as formal structures. A truly attentive close reading of a two-hundred-word poem might be ...

Chapter One In 1972 I was sixteen-young, my father said, to be traveling with him on his diplomatic missions. He preferred to know that I was sitting attentively in class at the International School of Amsterdam; in those days his foundation was based in Amsterdam, and it had been my home for so long that I had nearly forgotten our early life in the United States.
