A political decoy is a person employed to impersonate a politician, to draw attention away from the real person or to take risks on that person's behalf. This can also apply to military figures, or civilians impersonated for political or espionage purposes. The political decoy is an individual who has been selected because of strong physical resemblance to the person being impersonated.

Dakota Decoy has done a marvelous job of replicating the snood-up display of a boisterous jake. It's an attitude that antagonizes mature gobblers, which often come rushing in to swat the upstart youngster. This premium decoy not only nails the jake posture, but it does so with some of the most realistic color schemes we've seen, right down to reproducing a jake's rippling iridescence in ...

Knowing the Heroes and the Goats. Here is something important to know about the real New World Order... The real BRICS-fronted NWO the globalists are bringing into being will be based on Austrian economics, not Communism. And it will in the beginning appear to be libertarian and respectful of national sovereignty.
