About 'Uluru Australia' Uluru Australia is a 'Web Magazine' website that is dedicated to all things related to Uluru (Ayers Rock). We are passionate about Australia's iconic red centre, its vast open landscapes and the unforgettable experiences that are waiting for all who visit.

### **Uluru Facts - Uluru (Ayers Rock) Australia**

Uluru is a massive sandstone rock in central Australia that is sacred to the Aborigines of the area, who are known as the Anangu. In recent years, Uluru has also become important for New Age practitioners. Believed to have been formed by the activities of ancestral beings in creation time (or Dreamtime), the beautiful site includes many caves, waterholes, and ancient rock paintings.
