### **Voices In The City By**

Voices in the City. Based on the life of the middle class intellectuals of Calcutta, it is an unforgettable story of a Bohemian brother and his two sisters caught in the cross-currents of changing social values. In many ways the story reflects a vivid picture of India's social transition - a phase in which the older elements are not altogether dead,...

### **Voices in the City by Anita Desai - Goodreads**

Voices in the City reminds a spiritual, existentialistic odyssey of a journalist, who is quite lean, melancholic, and hungry in the "city of death", Calcutta. The name of this doomed individual, who seems to be bound to the city he dislikes, is Nirode.

### **Voices in the City - EssaysWriters.com**

The city is also presented as a place where young people are unable to find happiness in their lives or jobs due to constant pressure. The three siblings in Voices in the City are Monisha, Nirode, and Amla. Monisha, the oldest, is neurotic, sensitive, and prone to overthinking situations.

### **Voices in the City - amazon.com**

Voices in the city. The title of this section indicates the general assumption underlying this article: In a city, there is a multitude of voices, claiming their right to the city and its public spaces and therewith accounting for the city's diversity.

### **Voices in the city. On the role of arts, artists and urban ...**

Voices in the city is a pessimistic novel like Cry the peacock. The protagonists of this novel are detached, self-centered and remain aloof from others just as Maya in Cry the peacock, who alienates herself from the rest. What they always wanted was shadows, silence and stillness and that was what they were left with.
